**Chibooks Publishing House will promote Vietnamese literature at the International Book Fair in Kuala Lumpur and in Beijing later this year.**

Accordingly, the company has commissioned and signed a ten year deal with nearly 20 Vietnamese writers like Bui Anh Tan, Duong Binh Nguyen, Phan Hon Nhlen and Vu Dinh Giang to present more than 100 works in Vietnamese to foreign book markets.

Chibooks has also built a website of local authors and their works in the English language.
